SUCSESSES

- Meeting outside class
- Communicating via Slack & Discord till midnight
- Separation of tasks
- A S.O.L.I.D. Model
- No hesitation to ask questions
- Easy to add the Exercise Code (adding Phase 2 to Phase 1)
- More people updating Trello

CHALLENGES

- Constant design revisions leading to tasks that block other tasks
- Trying to decouple Entry and Food, which caused...
- Refactoring of how Entries were handled.
- Learning and Using of Java FX - more like hurdle
